VIRGINIA LAKE CARAVAN PARK

OPEN: All year

www.virginialake.co.uk

Email: louise@virginialake.co.uk

Telephone: 01945 430167

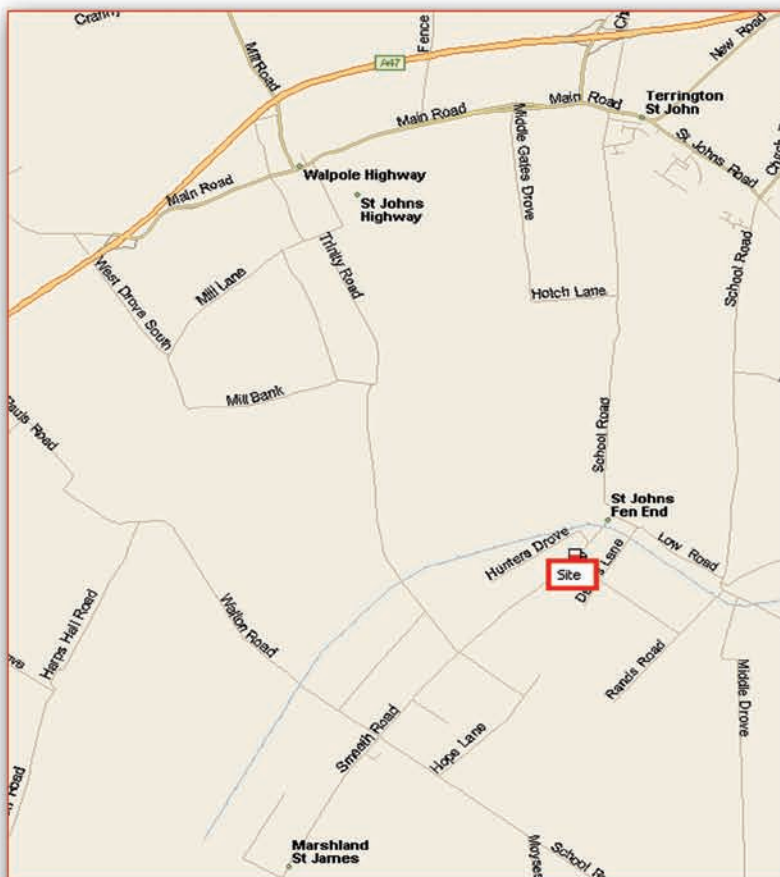

DIRECTIONS:

Located halfway between Wisbech and King's Lynn. Leave the A47 dual-carriageway (that runs between the two towns) at the junction sign-posted with the brown and white tourist board signs.

Follow these signs for 3 miles heading towards Marshland St James, and you will come to a Post Office on a bend.

Keep on for another couple of hundred yards into Marshland St James and on the left hand side you will find the entrance to Virginia Lake. Enter the park, follow the roadway and you will find our Reception.

Set in glorious fenland countryside, Virginia Lake is open all year round (including Christmas and New Year) with availability of hard standing and grass pitches for motor homes - including the largest ARVs. Long term pitches are also available if needed, and rallies are welcome. Electric hook-up points are provided for all pitches on the park, along with plentiful water points. Pets are most welcome and the site also includes a designated Dog Walk which takes you around the perimeter of the entire park and lake along a raised, secluded embankment. We respect responsible dog owners who keep their pets on a lead and who keep The Park clean of fouling for our other guests. The site itself is well lit with low level lighting throughout and is monitored by C.C.T.V. with the gates being secured at night. Late arrivals to our park are provided with their own hook-up points and toilet facilities within the car-park area.
