

AUTUMN IN CORNWALL

SANDRA AND GRAHAM BECK

CARVYNICK COUNTRY CLUB MOTORHOME TOURING PARK

Summertime, Newquay,
Cornwall, TR8 5AF
Call: 01872 510716

Carvynick has developed some of the finest touring pitches in the UK. These superbly presented and fully serviced pitches are available for motorhomes and can accommodate large American Motorhomes or smaller European Motorhomes. Our well-presented touring pitches provide the perfect base for exploring Cornwall.

The Paddock

The Paddock offers fully serviced touring pitches to cater for your every need. Each motorhome pitch has hard standing and ranges up to forty feet long with water, electric and chemical/ toilet waste outlet all located within the pitch.

Parking is provided for your tow car in a designated area. Your awnings will be able to open onto spacious areas.

The Paddock is landscaped and picturesque offering uninterrupted views towards the North coast.

Holiday Park Leisure Facilities

Whilst on holiday at Carvynick you can enjoy our well-equipped leisure complex. Leading off from the main reception area is our indoor heated swimming pool. Set within an attractive barn style conversion the pool and toddler pool is available free of charge during opening hours to all our guests. Situated in the same area is a comfortable spectator's lounge where time can be spent relaxing quietly whilst the children enjoy a swim, or you can while away some leisure time in a hot tub.

and parked up on our pitch.

The pitches are lovely, a generous size and hard standing, great for the winter! Each pitch has it's own area of decking, and there are full facilities to hand, water, drainage, sewage and 16 amp electric. — added to this a swimming pool and the most beautiful rural views, fields full of cows, Newquay in the distance, just six miles from the campsite.

This is a truly lovely spot although you do need transport as it is too far to walk anywhere, thankfully we had the car and our bikes with us so I was sure we would enjoy exploring Cornwall from here.

Needless to say there appear to be some great dog walks close by so Shadow and Cinders would be well catered for too!!

Our further adventures in Cornwall will start in the next edition of the Magazine.

Planning our Autumn visit to Cornwall, our first thought was narrow country lanes and the second could we find a campsite that would take our RV?!

Having been reassured about the first, we set about researching the campsites, and came across Carvynick Country Club Campsite, near the little village of Summercourt.

The information we received from Carvynick assured us they were set up to take large RV's and as the site was off the A 30 and, according to the information easy to find, we took the plunge and booked. At that point thought number one reared up again as we were asked to phone the site when we reached Summercourt so that we could be talked down the lane and onto our allotted pitch! In the event we needn't have worried! Their system works wonderfully well and we arrived safe and sound onto the site
