

DIRECTIONS:

From the North on the A21: come past the Johns Cross Roundabout (passing the Motorhome Sales Centre on your left) and continue for just over 3 miles until you see the Blackbrooks Garden Centre on your right. The turn into Crazy Lane is almost oppsite that Garden Centre and is marked with the conventional brown 'caravan Site' sign. Turn left into Crazy Lane and the site is about 50 yards further on your right. Pull up on the left-hand side of the site entrance and report into the Reception.

From Hastings on the A21: Continue on the A21 about 2½ miles from the outskirts of Hastings until you spot the Blackbrooks Garden Centre coming up on your left. The turn into Crazy Lane is on your right just before you get to the Garden Centre.

Paul and Sarah McBride brought this site to our attention a couple of years ago when they visited here with their 34ft Winebago Brave. They were there for a re-enactment of the 1066 Battle of Hastings which both they and the children enjoyed immensely. There is a small village within walking distance that has a well

well stocked shop, post office and several pubs and restaurants. Mo and Dick visited the site in July 2011 to find that they have installed a 'block' of family bathrooms, each containing a toilet, handwash basin and hair-dryer together with a coin-operated shower. Quiet, peaceful and scenic - we shall return again!
