EDITORIAL

SEPTEMBER MARKS THE END OF THE 2015 OUTDOOR SHOW SEASON

When I was in Primary School during the early 1950' s I remember being very envious during September when a number of the boys 'vanished' for several days to go 'potato picking' the days they were away always seemed to be the sunniest of the month! Mind you we all had the Michaelmas Fair, in the village, to look forward to! Then, as now, the Helter Skelter was always my favourite, followed closely by the Dodgems!!

Well, the weather has not been too kind so far this month although we did manage two dry days with wall to wall sun on the Sunday at the Boston Steam and Vintage Rally. We also dropped in on a very efficient MOT garage in Boston to have the MOT done on the RV.

We were also very pleased to meet up with long time ARVE members Terry and Jenny Baker who live in the summer months at the capsite adjacent to the Rally Field. It was their final weekend here before setting off back to Spain for the winter. We also met Barry and Pauline Hawkes of Red Dolphin fame who are still enjoying their canal narrow boat and manage to take it out most weekends. It was great to catch up with them all and hear all the news. Hopefully Terry and Jenny will now be safely on site in Spain.

We are off to Nice with the family for a long weekend and thereby missing the Bedford Steam and Country Show for the first time in many years.

The Motorhome Show Season will draw to a close this month with The Motorhome Home Show at Shepton Mallet and The Motorhome Finale on Lincoln Showground and then the start of Autumn and Winter shows with The NEC Show in October.

Finally to all the Channel and Pond Hoppers we wish you safe travelling to your destination wherever that may be. To all of you travelling in the UK travel safely and keep warm and dry.
