SYKESIDE CAMPING PARK

Caravan Club CL also on site

OPEN: All year

Telephone: 01768 482239

DIRECTIONS:

No mobile phone reception

From the South: Leave the M6 at junction 36 and take the A591 Kendal bypass through to Windermere. Just through Windermere turn right onto the A592 to the Kirkstone pass and Ullswater. Over the pass and down the other side, towards the bottom, you will see The Brotherswater Inn on the left. Turn into the pub car park - then drive through for the camp site.

From the North: At junction 40 on the M6, take the A66 westward towards Keswick. After a quarter of a mile turn left on to the A592 to Ullswater, following the road for approximately six miles in the direction of Windermere and Kirkstone Pass. The entrance to the camp site is approximately two miles beyond Patterdale on the right hand side of the road before the Brotherswater Inn. If you miss this entrance, turn into the pub car park - then drive through to the site.

***Please note that Sat Navs do not always find us, often they will divert you to the village of Hartsop (1/4 of a mile away), or stop in Patterdale (3 miles away), or not find us at all!**

In the heart of the Dovedale Valley, surrounded by Dove Crag, Hart Crag and Fairfield and with Brotherswater nearby, Sykeside is an inspiring location for Lake District camping, offering stunning views wherever you pitch. The site has been carefully laid out to blend with the breathtaking surroundings and provide a wide variety of locations for camping across the Park. Our aim is to keep Sykeside a very natural place and we pride ourselves on its true 'outdoor' feel.

Also on site is the Brotherswater Inn - a welcoming Lake District pub - open all day every day throughout the year (except Christmas Day), catering for climbers, ramblers and other visitors to this part of the Lake District. The Inn has comfortable seating and three huge picture windows which enable you to take in the breathtaking views whilst enjoying our hospitality. Sykeside Camping Park and the Brotherswater Inn are located fairly centrally in the Lake District. Within a 15 mile radius of the site is virtually the entire Lake District together with Ambleside, Windermere, Grasmere, Coniston, Keswick, Penrith and Kendal.

"Sykeside Park is set in a beautiful position with the stunning backdrop of Dove Crag, Hart Crag, Fairfield and Brotherswater - how could you not fall in love with a position like this"
