

Travelworld Motorhomes were present at the recent Caravan Club National Rally held at Weston Park, 10-12 miles from Telford, over the Spring Bank Holiday weekend,

They were displaying a range of Hymer motorhomes and also Hymer caravans. As the stand was not manned during the rally, for those who wanted to learn more about their range Travelworld suggested that they should visit their showroom at Telford where they could obtain all the information in dry and warm surroundings.

At the B-DL Launch Weekend, 8-10 July, Travelworld will be launching the very latest model from Hymer. Register now to attend this exclusive weekend.
