

**WiFi**

**THIS SITE IS FOR ADULTS ONLY**

**WiFi**

**A USEFUL SITE NEAR TO THE NATIONAL EXHIBITION CENTRE**

**DIRECTIONS:**

From the M42 junction 6: Take the A45 towards Coventry. Stay in the left-hand lane down to the roundabout and then exit onto the A452 signposted 'Leamington/Meriden'. At the next roundabout, signposted 'Meriden' turn left into Hampton Lane. The site is on the left signposted together with the 'golf' and 'fishing' centres.

Somers Wood is a useful site near the NEC but is for adults only. Although near to Birmingham, it is attractively located and edged by pine woods, with views of the adjacent 18 hole golf course (including driving range) and coarse fishing lake; both being available to visitors to use. There is a large gravelled hardstanding with 10 amp EHU reserved for RV's.

Approximately 3 miles from Somers Wood is the Birmingham National Exhibition Centre, staging more than 180 exhibitions every year ranging from the world famous public shows such as Crufts Dog Show, National Boat & Caravan Show and The British International Motor Show to International Trade Exhibitions like IPEX and Spring Fair.

Due to the perimeter of trees around the park we have installed a satellite dish connection point to every pitch. You must bring your own sky box, freesat box and connection lead with you.

This is not for use with any digital TV equipment you have. The digital TV signal is good all over the park.
