Telephone: 01760 337479

### DIRECTIONS:

On the A47, 9 miles East from King's Lynn, 7 miles West from Swaffham, turn onto the B1153 to Gayton.

Our entrance is 150 yards from the junction. As experienced caravanners ourselves we aim to provide the highest standards of cleanliness and personal service, with particular attention given to your pitch. Each is individually marked out and most provide mains electric hook-up. A number of pitches are in woodland and many are suitable for all year round use.

Open all year round, we are ideally situated for exploring East Anglia. With so many attractions, places of interest and beautiful countryside, you're never at a loss for something to do. This family run Park, awarded 4 stars by the Tourist Board, offers a friendly welcome with the aim of high standards in cleanliness, service and attention. An indoor Pool and gym compliments the lovely heated outdoor pool. For canine friends there is an area specified on site as well as many lovely walks close by. Holiday information for the area is available in a well-stocked information kiosk.

A 38ft Dutch Star on site.

RV's - We are able to accommodate the largest of RV's - with no additional charge for a second pitch or a small car being towed, please let us know the size of your unit at the time of booking.
