OPEN: April through October

DIRECTIONS:

From the North and East: Navigate your way onto the A153 toward Coningsby then turn right onto the B1192 to Woodhall Spa. In Woodhall Spa at the mini-roundabout where the B1192 meets the B1191 go straight over into Stixwould Road and then look for the brown/white caravan site signs on your right. Immediately opposite you will see the blue painted sign for Jubilee Park. Turn into that road and follow the site signs.

From the South and West: I suggest heading for Sleaford to get onto the A153 heading for Tatteshall and Coningsby - then turn left onto the B1192 and follow the directions as above.

The Shop and Reception

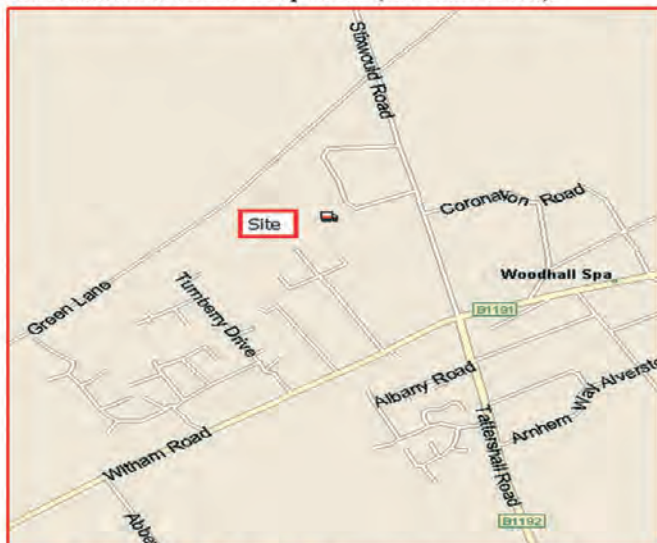

Woodhall Spa is a beautiful inland resort with an Edwardian character, set amidst magnificent pine woods. Regarded as one of Lincolnshire's most attractive villages, Woodhall Spa is famous for its peaceful and relaxing atmosphere, and with many fine hotels and guest houses it is the perfect location for a short break or holiday. The village has a variety of attractions including two top class golf courses, the unique 'Kinema in the Woods', Cottage Museum, Jubilee Park outdoor heated swimming pool and several aviation heritage sites associated with 617 Squadron (the Dambusters).

Petwood Caravan Park adjoins Jubilee Park, which offers a number of activities, including a heated outdoor swimming pool, children's playground, bowling green, croquet lawn, cricket field, putting course and tennis courts.

Jubilee Park was built by the original owners of Petwood Estate to commemorate the Silver Jubilee of King George V in 1935.

In 1946 Sir Archibald and Lady Weigall presented Jubilee Park and the Cricket Ground as a gift to the people of Woodhall Spa.
